

Author Queries

Chapter 20

Query Refs.	Details Required	Author's response
AQ1	Per Springer style, both city and country names must be present in the affiliations. Accordingly, we have inserted the city and country in the affiliations "1, 2". Please check and confirm if the inserted city and country is correct. If not, please provide us with the correct city and country.	
AQ2	Please check the edit made in the citations of Tables 1, 2, 4 are correct.	
AQ3	Kindly note that the caption of Table 7 seems to be incomplete. Please check and amend if necessary.	
AQ4	Please check and confirm if the inserted citation of Table 8 is correct. If not, please suggest an alternate citation.	
AQ5	The sentence "The indicator of the structure..." seems to be incomplete. Please check for missing words/phrases and complete the sentence.
